

Name: _____

Class: _____

Mr. Rawson • GCSE Computer Science

Year 10 2026

1.2 Do Now

Five minutes. Books closed — no notes. Hand this in when the timer stops.

1. Tick (✓) **one** box to identify the **largest** file size. [1]

☐	2 000 000 bytes
☐	2300 KB
☒	200 MB
☐	0.1 GB

2. Tick (✓) **two** boxes to identify the two file sizes that are **equal to each other**. [1]

☒	4 500 000 bytes
☐	450 KB
☒	4.5 MB
☐	0.45 GB

3. Tick (✓) **one** box to identify the **smallest** secondary storage capacity. [1]

☐	2.1 GB
☐	300 MB
☒	200 000 KB
☐	0.0021 TB

4. Identify how many unique values can be represented by **4 bits**. [1]

Answer: 16

Marking: 1 mark each. Q1/Q3 — two or more ticks scores 0. Q2 — 1 mark for *both* boxes; one tick, or three or more, scores 0. Q4 — correct answer only, no working required.
