Physics 11 R Calendar

Autumn to the October break • AQA Trilogy 8464

We meet **three times a fortnight** — Wednesday P4, a Friday double, and Monday P6 in the other week. **Every Friday lesson is a double**, P3+P4 straight through from 11:15 to 13:05: **11 Sep, 25 Sep and 9 Oct**. The first two carry the **two required practicals** — bring everything you need for a lab. There is a **quiz on Wed 23 Sep**, and the **topic test on Fri 9 Oct**, the last day of term — the paper first, then we go through it together, so you get it back before the holiday.
