

Interactive Animations and Games

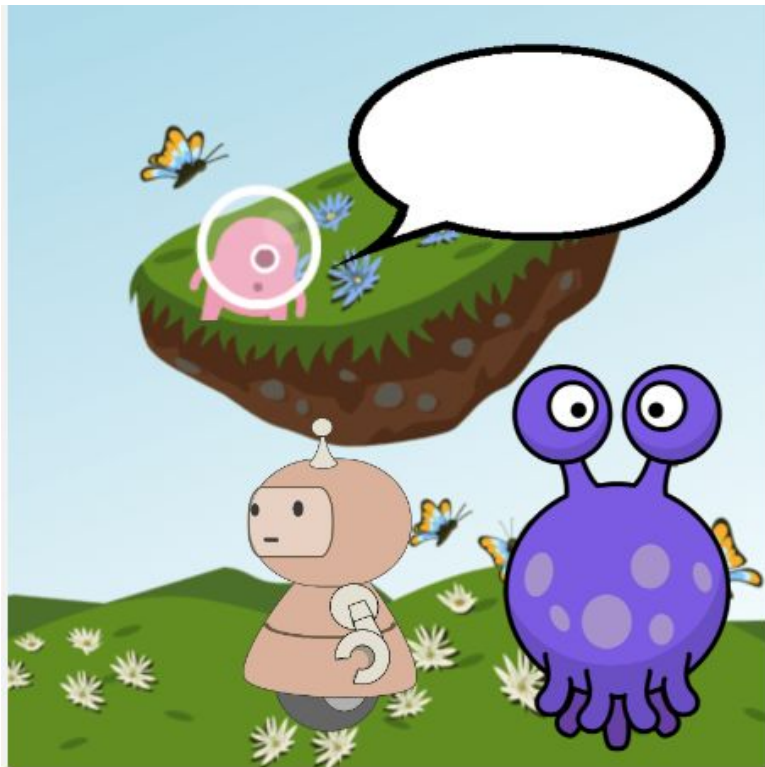

Lesson 10

Text

Warm Up

Journal Prompt:

Look at this cartoon
that was made in Game
Lab.

What do you think the
alien should be saying?

Question of the Day

How can we use text to improve our scenes and animations?

Activity

Code Studio, Level 1

Code Prediction

- Read the code and discuss with your partner what you think it will do.
 - What will it show on the screen?
 - Where will it be displayed?
- Run the code and test your prediction.

Code Studio, Levels 2-3

Skill Building

Do This

- Follow the instructions on each level
- If you get stuck, try...
 - Help and Tips Tab
 - Code Documentation
- If you make a big mistake...
 - Use version history to go back

Version History

Code Studio, Level 4

Practice Level

Do This

- Practice your new skills on these levels
- Check with your teacher before moving on

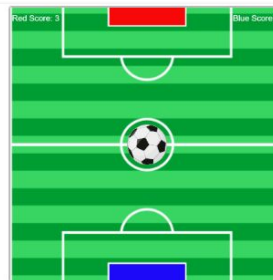

a **Debug: Berry Greeting**

Change the order so that the strawberry appears on top of the lines but behind the text and eyes.

b **Debug: Flying Riddle**

Fix the bug so that the text appears.

c **Add Text: Score**

Add text to this scene to display the score.

Code Studio, Level 5

Assessment Level

Do This

- Follow the instructions in Code Studio
- The "Rubric" tab describes how to demonstrate your understanding
- Check out the Help & Tips tab if you need help

Code Studio, Level 6

Challenge Level

Do This

- Challenge yourself on these levels.
- Learn new blocks or use the same ones in new ways.

A blue sky with a white cloud and a rainbow.	a Text Color Learn how to change the color of your text.	The text "Four score and seven years ago..." in a light gray font.	b White Text on White Background Learn how to make text stand out with a colorful stroke.	The text "Four score and seven years ago..." in a black font.	c Wrap Text Learn how to make big text fit inside a text box.
A red speech bubble with a white quote icon and a blue speech bubble with a white quote icon.	d Favorite Quote or Saying Use what you've learned to create a scene that represents your favorite quote or saying.	A scene with a yellow and red triangle and two blue and brown blocks.	e Favorite Scene Use what you've learned to recreate your favorite book, movie, TV show, or even video game scene.		

Wrap Up

Journal Prompt:

You've drawn with both text and shapes to the screen.

- What are two ways drawing with text is similar to drawing shapes?
- What is one way that drawing with text is different from drawing with shapes?

Question of the Day

How can we use text to improve our scenes and animations?
