Mr. Rawson • Y8 MYP Design

Design 8A Calendar

Programming the micro:bit · to the October break

We meet **twice a fortnight** — **Friday P5** in a Week A and **Monday P3** in a Week B, so check the letter on the left of each row. **Four lessons left before the break, and they are not evenly spaced** — after Monday 14 September we do not meet again until **Friday 25 September**, and after Monday 28 September not until **Friday 9 October**. **Write the dates down.** We **do** have Design on **Friday 9 October, the last day of term**, and that is the lesson where your **Mini Project** is set — the project you are marked on, which you build after the break. **Your Shake Counter is due on Monday 14 September**, and the six word-bank words are asked at the start of that lesson.

Week	Mon	Tue	Wed	Thu	Fri
7 Sep A	7	8	9	10	11 L2
14 Sep B	14 L3	15	16	17	18
21 Sep A	21	22	23	24	25 L4
28 Sep B	28 L5	29	30	1 Oct	2
5 Oct A	5	6	7	8	9 L6 <i>last day</i>

What happens in each lesson

Lesson	Date	Time	What we do
L3	Mon 14 Sep	11:15	Shake Counter due · word-bank words asked · Variables — a named box that remembers a number · set it, change it, show it · a score counter
L4	Fri 25 Sep	14:05	Conditionals — if and else · comparing two values · making the micro:bit choose · a rule for a two-player game
L5	Mon 28 Sep	11:15	Iteration — repeat, forever and while · loops that count · when a loop beats copying the same block ten times
L6	Fri 9 Oct	14:05	Your Mini Project is set today. The brief · what Criterion A and Criterion B ask for · choosing your problem. You build it after the break — this one counts
