Physics 11 R Calendar

Autumn 2, to the Christmas break · AQA Trilogy 8464

We meet **three times a fortnight**: Monday P6 in one week, Wednesday P4 and a Friday double in the other. This half term we finish **P3 Particle model** and **P4 Atomic structure**, each with a topic test (**Fri 20 Nov** and **Fri 4 Dec**), revisit **2-D forces**, and begin **Waves**, which is tested after Christmas.
